Please note, the LCB Company is required to attend all rehearsals for which they are called. Rehearsal schedules are sent out a fortnight in advance of any rehearsal to allow families to plan, and all the dates must be kept free until the rehearsal schedule is published. Out of respect to the choreographer and fellow company members, dancers cannot be given permission to miss a rehearsal for any reason except auditions for vocational ballet training. We encourage dancers to speak to their teachers early to avoid clashes with exams etc. wherever possible.
