

# The Stage

**Designing a set, choreographing, dancing, managing, chaperoning, working as a technician, knowing stage layout is so important.**

Below is a simple diagram of a proscenium stage. Label the stage with the following. Remember not to get your left and rights confused (think of who uses these spaces, the directions are for their benefit e.g. dancers or audience)

Wings	Centre Stage
Orchestra pit	Downstage Right
Audience/ front of house	Downstage Left
Apron	Upstage Right
Stage Left	Upstage Left
Stage Right	House Left
Upstage	House Right
Downstage	Stalls
Dress Circle	Royal Circle
Upper Circle	Box
